To, Veta class

Respected sir,

I am Deep Mehta. I have joined Veta class during my vacation in May, 07. My main purpose to join Veta was to speak in English without any hesitation. and I am happy today, that my experience was splendid during the whole course in Veta.

Besides speak in English, I learn more of discipline, value of time, and how to react or speak in any situation from Veta. I enjoyed very much of all the session took by Veta. I would learn grammar and more English words. After joined this course of English speaking, my thought are changed. My confidence level is ~~now~~ increased to speak in English. I would like to thank specially to my
