

I am Jaydipsinh. K. Chudasma  
I was a student of Veta of the  
batch under Radhika Gulati. I got  
very best teaching experience from  
the Veta. The faculty members of  
the Veta are very scholars & skilled  
for teaching English.

After completing English speaking  
course at the Veta I found very  
drastically change in my personality  
& improvement in communication skills.

Also I got good position in my  
company. So, I suggest students &  
working person to join Veta for  
English speaking & personality  
development.
